

I am a PTF in Ravensdale, WA. My daughter, Christy, was looking for ways to earn money to apply to her education. My neighbor, Gary Methven, offered for her to sell some Postmaster plates, cups and pins that his wife, Connie, had collected while she was the Postmaster in Milton. Connie had purchased them at various conventions that she attended.

If anyone is interested in any or all of the following items, please ask them to contact:

Dorene at [bmclorene@msn.com](mailto:bmclorene@msn.com) and to write in the subject line "Postmaster Plates" so that I know it's not spam. Christy is at school during the week and I don't want her school email listed on a public forum. I can forward the information along to her. Anything you can do will help her college fund!
